

Product Description

IP65 tri proof LED light fixture

IP65 LED tri proof light is a type of waterproof, dustproof, and corrosion-resistant lighting fixture - the “three proofs” implied by its name. It designed with a structure that allows the LED tube lights can be separated from the housing. Thanks to their detachable design and robust IP and IK ratings, they are widely used in industrial, commercial, and demanding utility spaces.

Advantage

- Detachable Design

This detachable design of tri proof fixture makes it easy to remove or replace the LED tube lights.

- Easy Maintenance

Todaybulb’s LED tri proof light fixture simplifies installation, maintenance, and future upgrades.

- Waterproof, Dustproof, and Corrosion-Resistant

Todaybulb’s LED tri proof light fixture maintains IP65 protection for use in wet, dirty, or chemically exposed environments.

- High Energy Efficiency

LED tri proof lamp built in LED tube lights with high luminous efficacy, reducing power consumption and electricity costs.

- Long Lifespan

LED tri proof lamp typically offer up to 50,000 hours of operation; detachable design allows LED light source replacement more easily than integrated tri proof lamp.

G13 lamp holder

PC diffuser

White power coated reflector

Accessories

Ip65 tri proof LED light fixture

Feature

- ✓ High Ingress Protection IP65
- ✓ Replaceable LED tube light
- ✓ Detachable Design
- ✓ Impact-Resistant Housing IK08
- ✓ Anti-Corrosion and UV Resistant
- ✓ Versatile Mounting Options

Application

Detachable IP65 LED tri proof light is ideal for use in environments where moisture, dust, corrosion, or mechanical stress are common—and where easy maintenance or future upgrades are important.

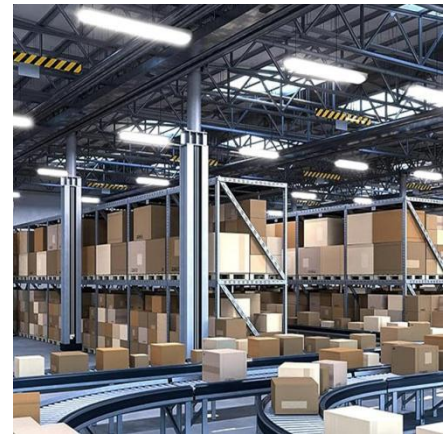

Typical applications include:

Carports

Parking Garages and Underground Lots

Warehouses and Factories

Specification

Model	Tube Type	Wattage	Length	Base	IP Rate	Base Material	Cover Material	Voltage
DPL-FIXTURE	T8	1*9W	660 mm	G13	IP65	HIPS/ABS/PC	PS/PC	AC 185-265V/ AC 100-265V
DPL-FIXTURE		2*9W	660 mm					
DPL-FIXTURE		1*12W	960 mm
